2 reclining places, 4 sitting places

Due to the characteristics of its stainless steel material, Volcano spa is the best choice for a timeless appearance. The subdued elegance and unique design are the main characteristics of Volcano. Volcano is overwhelming with its several advantages: the stainless steel is resistant to UV-rays, frost and thermal stresses. Thanks to the weather-resistant coating, it is perfect for both indoor and outdoor usage. In spite we provided a sleek design, we didn't forget the unique hot air massage experience either, which is now associated with 38 jets.
